

SPEKE GARSTON COASTAL RESERVE

2nd & 3rd May – 10th Birthday Celebrations!

It has been 10 years since the Coastal Reserve initial setting out was completed and since that time the Reserve partners Peel Holdings, Liverpool City Council, The National Trust and Liverpool Sailing Club have been working hard to keep the site a wonderful destination for the people of Liverpool. A two day event has been planned which will include leisure and walking activities to promote the Coastal Reserve and encourage people to use this great natural resource and a 'Spring Clean' day to spruce up the beachfront and remove the flotsam and jetsam from the shoreline.
