

England Coast Path Update: June 2016

Welcome to the June edition of our update, published regularly to keep interested stakeholders up to date with progress on each of the coastal stretches we are currently working on around England. The stretch numbers in the table below are those shown on the ECP national overview of progress map on the GOV.UK website: [Coastal Access Map](#)

If you have colleagues who should be included on the distribution list or you do not wish to receive this update, please let us know. We also welcome feedback on the content, format and frequency of this update.
